- Be available to answer questions about the trip at the general meeting, by phone or email.
- Generate a flyer. Flyers will not be available at the general meetings due to the cost of printing. Flyers will be available to view on the website. Have one “master flyer” at each meeting (nailed down so it can’t walk away).
- Submit updated information to the webmaster: cynthiamenas@gmail.com
- A complete newsletter article is to be sent to the newsletter editor by the 10th of each month. If the trip is new, write a brief description of the trip including the date and price.

Remove that particular getaway from the newsletter after the cut-off date or when they have been completed.

Do not send it to the newsletter editor's personal email listed in the directory. The monthly article should be totally in electronic form. Either send it to the editor as an attachment in MS Word, a pdf document or email the complete article. If your monthly article does not really change each month, please indicate that to the editor. However, if it does have some monthly changes, make the change and send the entire article to her electronically. It is the newsletter editor's responsibility to get your article into the newsletter. It is NOT her responsibility to edit and type your article into the newsletter and or research the topic, venue or speaker or find directions or phone numbers for your article. Make sure that she can take what you send her and copy and paste it into the newsletter. She should not need to retype it because you either gave it to her written or typed it on a piece of paper. The newsletter position is a demanding job and anything we can do to make it easier, will be much appreciated.
